

#### THINK OF ME:

Many things held back / Those mistakes are done / You're the only one / To judge who's wrong or right / Think of me (x2) / When you feel that inner need to say / "No, I won't compete" / Think of me (x3) / Certainties are banned / The world around is blank / Feed your inner light / Fill your open mind / Think of me (x2) / When you look and see the things that / You do not want to see / Think of me (x3) / Think of me (x2) / When you know that it is time to run / Far away from here / Think of me (x3) / One blink of an eye / Sympathy survives / Hope inflates your lungs / Give yourself that chance / Think of me (x2) / When you know that it is time to run / Far away from here / Think of me (x3) / Think of me (x2) / World is yours, don't hesitate / Just get there and grab your dreams / And think of me, think of me

#### JULIA:

Sin saber qué buscar / Entre tanto acompañante / En esta soledad pese a todos mis amantes / Noche tras noche salir / Y saber bien reducir / Y a la mañana siguiente, a mentir / Julia, oh Julia / En este amor no veo el final / Julia, oh Julia, / Me has enseñado a amar / Contigo quiero volar / Y lo que digan alrededor no va a importar / Porque la he encontrado / Se llama Julia / Esa forma de hablar / Me fijé en tu sonrisa / Tus ojos y tu piel para mí como la brisa / Tú me has hecho despertar / Y ya solo puedo soñar / Con una vida a tu lado / Quiero más / Julia, oh Julia, / En este amor no veo el final / Julia, oh Julia, / Me has enseñado a amar / Ya solo quiero volar / Y lo que digan alrededor no va a importar / Bésame, tócame, quédate / Más y más, mi cuerpo quiere más / En ti puedo nadar en libertad / Solo hay un sitio donde estar: / Con Julia / Solo hay un tiempo que gastar: / Junto a Julia / Julia, oh, Julia, / En este amor no veo el final / Julia, oh, Julia / Me has enseñado a amar / Contigo quiero volar / Y lo que digan alrededor no va a importar / Porque la he encontrado / Se llama Julia / Julia, oh Julia, / En este amor no veo el final / Julia, oh Julia / Me has enseñado a amar / Contigo quiero volar / Y lo que digan alrededor no va a importar / Porque la he encontrado / Se llama Julia

#### THERE U R:

Now the years are gone / So long, so long / Wow, the things I've done / Alone, alone / There you are with your shiny smile / Today: Here you are, here you are / There you are with your dreams so high / And see: Here you are, here you are (x2) / And I, I waited for your call / No words, no words / But why? Why leaving me so? / In a world as a hole / There you are with your shiny smile / Today: Here you are, here you are / There you are with your dreams so high / And see: Here you are, here you are (x2) / I don't know if I'll let go / This love, old love / Or I'll fall, it seems so odd / Why back, why gone? / There you are with your shiny smile / Today: Here you are, here you are. / There you are with your dreams so high / And see: Here you are, here you are (x2)

#### THE PROTESTER

Once upon a time there were warriors / Who defended one mighty king / And the king appointed his servants / Who became an army of sheeps / Business were made among the equals / A few men invented machines / And then women left their kept houses / To demand their right to fit in / And when it feels right / No one denies it / You walk together to get your goal / There are no nations / There are no barriers / You're only one, you / Posses your soul / Centuries, decades and years later / People couldn't say what they mean / One by one deliver their message / They found out they're strong cause they're big / And when it feels right / No one denies it / You walk together to get your goal / There are no nations / There are no barriers / You're only one you / Posses your soul...
